

Gensler
Environmental Graphic Designer – Mid Level
San Jose, CA, US

Your Role

Gensler's San Jose office is seeking an Intermediate Environmental Graphic Designer, with a passion for helping our clients enhance their brand through design, communicating their stories experientially via the multiple channels available in today's diverse media landscape. This position will focus on the ability to understand a client's brand and build an expression of that brand through graphic design, environments, and technology.

What You Will Do

Our Environmental Graphic Designer must have stellar conceptual and hands-on design experience and show a portfolio of work that is compelling and highly creative. Creative solutions will have a strong emphasis on integrating concepts into built environments. You must love to generate new ideas, be passionate about design, get excited about being a part of diverse projects and thrive off of collaboration with multiple internal projects teams, fabricators, and clients. Our ideal candidate will also have strong technical skills from design development through documentation and fabrication coordination. Projects will cover a variety of design disciplines including workplace, retail, mixed use, and architecture.

Your Qualifications

- Bachelor's degree in graphic design, environmental graphic design, information design, communication design or similar
- 5+ years of experience after graduation in a related field
- Strong illustration, typography, composition, and information design skills
- Excellent analytical, problem solving and communication skills
- Works well in an interdisciplinary, fast-paced environment
- Ability to visualize ideas in two and three dimensions
- Direct experience with the development and implementation of brand experiences, especially as translated to built environments
- Experience with built environment, comprehension of architectural scales, sections, plans and elevations a must
- Strong presentation skills; writing skills a definite advantage
- Working knowledge of print production and fabrication, vendor management, signage, and wayfinding systems.
- Highly proficient in Adobe Creative Suite (InDesign, Illustrator with CAD tools, Photoshop), Microsoft Word and Excel
- Ability to work in 3D modeling programs such as SketchUp, Revit, or Adobe Dimension is a strong advantage

To be considered for this opportunity, you must UPLOAD A SAMPLE DESIGN PORTFOLIO to the attachments sections of your application.

Life at Gensler

At Gensler, we are as committed to enjoying life as we are to delivering best-in-class design. From curated art exhibits to internal design competitions and hackathons, to “Well-being Week,” our offices reflect our teams’ diverse interests.

We encourage our employees to lead a healthy and balanced life. Our comprehensive benefits include medical, dental, vision, disability, wellness programs, flex spending, paid holidays, and paid time off. We also offer a 401k, profit sharing, employee stock ownership and twice annual bonus opportunities.

As part of the firm’s commitment to licensure and professional development, Gensler offers reimbursement for certain professional licenses and associated renewals and exam fees. In addition, we reimburse tuition for certain eligible programs or classes. We view our professional development programs as strategic investments in our future.

Gensler is proud to be an equal opportunity workplace and is an affirmative action employer. All aspects of employment decisions will be based on merit, competence, performance, and business needs. We do not discriminate on the bases of any status protected under federal, state, or local law. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status. If you need assistance or an accommodation due to a disability you may contact us [here](#). We celebrate diversity and are committed to creating an inclusive environment for our colleagues.
