

## Healthcare Medical Planner

**Join Ratcliff to discover what's important, imagine the potential, and design for extraordinary outcomes.**

Ratcliff's healthcare practice is a regional leader in the planning and design of complex healthcare facilities, including acute and ambulatory care facilities and medical campus master plans. We are looking for a **Healthcare Medical Planner** who demonstrates a comprehensive understanding of healthcare architecture and significant experience leading the design and development of such projects.

### What You'll Be Doing

- Lead medical planning efforts on various healthcare projects
- Collaborate and coordinate with project team as well as with outside contractors and partners
- Develop master plans
- Attend and facilitate client meetings as needed
- Mentor staff on medical planning as needed
- Mentor individuals on project teams to increase breadth of experience and knowledge about medical planning
- Orchestrate design, planning, and client relationships to achieve extraordinary outcomes

### Who We're Looking For

- Minimum of 5 years professional experience in planning all types of healthcare related projects
- Experience in OSHPD oriented project work
- Bachelor of Architecture or Master of Architecture degree desired
- Working knowledge of California Building Codes and ADA
- Architectural licensure desired, preferably a California license. LEED accreditation is a plus
- Desire and interest in presenting at interviews or professional organization conferences.
- Work well in a collaborative/integrated environment
- Strong presentation skills and exceptional graphic abilities using Revit, SketchUp, AutoCAD, Adobe CS, Bluebeam, and all Microsoft programs
- Candidates must have legal working status in the U.S. as Ratcliff will not be sponsoring work visas at this time

### Why Work at Ratcliff

Ratcliff is an Equal Opportunity Employer, conveniently located in Emeryville, California, just across the Bay Bridge from San Francisco. We offer competitive compensation, retirement planning, profit sharing, and comprehensive medical benefits for employees and their eligible family members. We also provide paid time off, paid holidays, 16 Fridays off per year, and flexible hybrid work to ensure team members maintain a healthy work-life balance.

**To apply, please send your cover letter, resume, and sample portfolio to [hr@ratcliffarch.com](mailto:hr@ratcliffarch.com).** No phone calls or drop-ins. All responses will be held in confidence.
