

JOB POSTING

INTERMEDIATE DESIGNER ARCHITECT

HKIT Architects is a leading Northern California design firm based in downtown Oakland which has been servicing the Bay Area for over 70 years. Join our dynamic, diverse office of 50+ professional staff dedicated to the design and client relationships. The firm is well-known for its award-winning work with schools, churches, affordable housing, senior housing and other community and civic based work throughout the Bay Area and California. HKIT is committed to architecture that enriches the community and the environment. For more information view our website: www.hkit.com.

HKIT Architects is seeking an intermediate architect / designer with 6 – 10 years experience including 5+ years experience on K-12 public schools ideally in California. We value creativity, attention to detail and a high level of client service; we also value teamwork, clear decision making, excellent communication skills, follow through and the ability to work with multiple projects and meet rolling deadlines. This is a dynamic position with tremendous professional growth potential. Our office uses mainly Revit for new construction and AutoCAD for renovation or smaller type projects, experience with both is a requirement.

Other Requirements Include:

- Bachelor or Masters of Architecture from an accredited school
- Licensed Architect a plus
- LEED AP or Well AP or similar accreditation a plus
- Understanding of design for sustainability, high-performance low-resource use, and wellness
- Experience with sustainable building systems such as LEED BD+C or Green Point Rating or Collaborative for High Performance Schools is a plus
- Strong design and excellent verbal, written, and graphic communication skills
- Curiosity, Willingness to learn, and Ability to work independently
- Proficiency in Revit, AutoCAD, Sketchup, Adobe Creative Suite, and Microsoft Office Suite
- Ability to produce presentation deliverables using AutoCAD, REVIT, Adobe Creative Suite, and Sketchup
- Experience in conceptual, schematic design, design development, construction documents, and construction administration
- 6-10 years of professional work experience

This position is full time, permanent position. HKIT offers competitive compensation with full medical, dental & vision insurance, and 401k plan. We provide support for licensure, and AIA membership. Compensation is dependent on experience & education.

Interested applicants should send a cover letter, resume, and portfolio to careers@hkit.com.

No calls or third-party recruiters please.
