

Gensler
Interior Designer – Mid Level - Workplace
San Jose, CA, US

Your Role

As a Mid-Level Gensler Interior Designer, your job is to combine creativity and technical knowledge with business skills and understanding to produce functionally beautiful spaces for our clients. You should have exceptional design skills, a background in architecture with a focus on Interiors or Interior Design, and a portfolio of innovative design concepts.

You must be an integral part of your teams and actively foster a respectful, creative, and inspiring design environment. You should have a great reputation in the design community at large.

What You Will Do

- Perform interior design assignments that include interpreting client's needs, space planning, conceptual design, schematic design, design development and construction documentation
- Performs work requiring independent judgment in evaluation, selection, and substantial adaptation/modification of standard techniques and procedures.
- Participate in the selection and presentation of furniture, furniture systems, fabrics, equipment (FF&E), color palettes, and lighting
- Generate design with 3D models, Revit, Sketchup or other software, create digital 3D view to communicate design concepts
- Generate Interior finishes and reflected ceiling plans, elevations, details, specifications, and material selections needed for construction
- Provide design support and documentation during completion and execution of design concepts
- Work with external consultants, product representatives, furniture dealers, and fabricators
- Guide and mentor junior designers
- Work in a synergistic manner with other design and professional staff
- Contribute to office activities, initiatives, and learning programs

Your Qualifications

- Bachelor's degree in Interior Design, Architecture, or related field from an accredited school
- 5+ years of interior design experience
- NCIDQ Certified
- Knowledge of sustainable and universal design concepts. Proficient in Revit, SketchUp, 3D, Rhino, Grasshopper, AutoCAD, and other modeling software programs
- Proficient in Adobe Creative Suite applications (Photoshop, Illustrator, InDesign)
- Knowledge of furniture, finishes, materials, color selections, and specifications
- Strong graphics and visualization skills to effectively communicate design ideas

To be considered for this opportunity, you must UPLOAD A SAMPLE DESIGN PORTFOLIO to the attachments sections of your application.

Life at Gensler

At Gensler, we are as committed to enjoying life as we are to delivering best-in-class design. From curated art exhibits to internal design competitions to “Well-being Week,” our offices reflect our people’s diverse interests.
