
PROJECT ARCHITECT – VERTICAL HARVEST

About the Company

GYDE's process begins with our team of architects and designers, is developed through a close working relationship with our clients, and culminates in the collaboration with engineers, builders and craftspeople. Our approach blends art, architecture, science and technology to craft innovative solutions that integrate design into unexpected spaces, push boundaries and create extraordinary experiences. We strive to build trust within the communities we impact and engage our clients during all phases of design to ensure positive outcomes.

The Position

GYDE is seeking a Project Architect to join our Greenhouse Studio as Vertical Harvest continues to gain traction and lead with its impact-driven business model. The flagship Vertical Harvest, located in Jackson, WY, revolutionized how food is grown in urban environments. With a second location currently under design outside of Portland, Maine, the demand for urban farming continues to grow. We are looking for a technically driven professional to lead the design elements of upcoming projects located across the country. Duties and responsibilities include:

- Revit drafting, research, and code analysis; coordinate project consultants; assist in project management duties with Associates and Principals; and to mentor and direct the work of junior staff.
- Mentor junior staff on technical aspects of the project and profession
- Lead the coordination and production of bid and construction administration documentation.
- Work collaboratively and communicate effectively and proactively with peers, employees, and management.
- Perform other duties as necessary to support the success of GYDE

Minimum Qualifications:

- Bachelor's Degree in Architecture
- Minimum five (5) years of experience
- Current knowledge of professional codes, laws, computer applications, and trends
- Ability to see design in everything

Benefits

- 100% healthcare premium paid for
- 401k
- Generous PTO
- For the right candidate, this position could be remote

If interested, please send a resume, work samples and cover letter to Steph at sw@gydearchitects.com. Include in your cover letter if you could have dinner with anyone, dead or alive, who would it be and what would you eat.
