

Architectural Designer / Collaborative Project Coordinator

Studio Petretti Architecture seeks a designer with 5-8 years of experience to support design, documentation and coordination on projects. This is a growth position with an emerging firm. The individual should expect to support a Sr. Architect and work in partnership with skilled peers. Occasionally designers will lead small projects with mentorship.

Architectural Designers are expected to engage in a collaborative process through all project phases. This opportunity is for an applicant who demonstrates design thinking, excels at technical detailing and project documentation and appreciates quality graphic communication. The ideal candidate will be an agile professional with strong organizational skills.

Qualified candidates will be starting, or already on, the path to licensure. It is a requirement to have demonstrated experience documenting projects using Revit as the main tool. Many of our projects are developed within negotiated construction environments; experience during the construction phase or as a skilled construction worker should be noted. We utilize industry standard systems and software; expert use is not required though applicants should note their familiarity with: Sketchup, Adobe Creative Suite, rendering software, physical model making.

About Studio Petretti Architecture

Studio Petretti Architecture is a design-driven office focused on client service, equity and environmentally responsive design. Working on significant projects for public and private clients, we embrace opportunities to develop modern, elegant solutions to design problems. We have led projects large and small, including spaces for education, civic engagement, commercial spaces as well as multi-family and single-family housing. A significant amount of our work is presently with public clients, reflecting our interest in serving our community through architecture. We believe that our ability to serve our clients increases the more we actively engage in conversations around diversity, equity and inclusion in the profession and in the community. Our public projects have construction budgets from \$1M to \$20M and we have collaborated with larger firms on projects up to \$1B.

As an outgrowth of our deep belief that there is a direct connection between how we work and the quality of our work, we actively foster a culture that is:

- Supportive, where everyone aims to help each other succeed
- Inclusive, all voices are invited into discussions and decision making
- Gracious, everyone's contributions are recognized and appreciated
- Compassionate, we aim to ensure everyone's needs are met
- Flexible, with a hybrid work schedule of ½ time in office and ½ time working from home
- Generous with a compensation package including twice per year bonuses / profit sharing
- Appreciative of employee effort with a competitive compensation and benefit package

Studio Petretti was established in 2015 as a woman-owned emerging small business creatively inspired by our clients. Our office is located in the heart of Southeast Portland. Our team has

proactively established a modern hybrid work schedule that combines lessons learned from our time working from home during the pandemic with our love of collaboration and social connection. Studio Petretti Architecture is an equal opportunity employer. Inquiries will be handled confidentially. We would like to fill this position as quickly as possible.
